Description

A stunning vintage ring in 750/°° (18-karat) yellow gold, set with a single brilliant-cut diamond estimated at 0.16 carats. The generously curved band forms an elegant swirl pattern that encircles the diamond, enhanced by a raised white gold setting with eight prongs that allow light to stream through freely. The contrast between the polished yellow gold and white gold highlights the stone's brilliance, while its sculptural lines--emblematic of the 1950s--lend this ring a presence that is both refined and timeless.
