Description

This bronze bust by Jean Gabriel Mondié, created using the lost-wax technique and directly inspired by mythology, has an absolutely magnificent presence. With its magnificent, warm patina, it's almost hypnotic...Of course, it is signed and numbered 1/8 with the Chapon foundry's stamp; in addition to being an investment, it will be a true focal point in any interior! A striking embodiment of grace and movement, this remarkable bronze female torso titled "Salome Dancing" is a major work by sculptor Jean-Gabriel Mondié. Directly inspired by mythology and the tragic figure of Salome, the piece captures the suspended moment of a bodily twist of hypnotic sensuality. Crafted using the prestigious lost-wax casting technique by the renowned Chapon Foundry, the sculpture stands
