

Baluster-style Cast Bronze Candlestick.

350 EUR

Period : 16th century

Condition : Bon état

Material : Bronze

Diameter : 13,3

Height : 41

Description

Candlestick in cast bronze with a baluster shape. The circular saucer and base are adorned with pronounced ribbing. The central body bears a noble coat of arms Central Italy, 16th century. Height to the tip: 41 cm. Base diameter: 13.3 cm. In good condition with a fine patina. This piece, like all our other items, will be sold with a certificate of authenticity. We personally handle and arrange the packaging and shipping of our works of art, with insurance, worldwide. If the work is purchased by non-Italian customers, it will require a certificate of free circulation. This certificate can be obtained within 10-20 business days. The gallery will handle all the administrative and financial aspects of the process. All costs associated with the transaction are therefore included in the price.
