Description

Napoleon III-style walnut desk, 19th century Beautiful walnut desk from the Napoleon III period, featuring an elegant design from the second half of the 19th century. Its molded-frame top rests on four turned and fluted legs, richly molded, joined by a low crossbar adorned with a series of small turned balusters. The woodwork is exceptionally fine, and the walnut's beautiful patina highlights the grain of both the top and the frame. A piece that is both elegant and decorative, particularly well-suited for an office, a library, or a home with character. Period: Napoleon III, 19th century Wood: walnut Dimensions: height 73 cm × width 110 cm × depth 63 cm. Gallery title: Napoleon III walnut desk with baluster struts, 19th century.
