Height : 70 cm

Description

An elegant Louis XVI-style gilt brass serving trolley set on four casters. It features two rectangular glass shelves, each encircled by a delicate openwork brass gallery. The upper tier is fitted with a serving handle, while a side bottle holder completes the design. The slender, refined structure comprises fluted uprights and attractive decorative casters that lend the piece great charm. This trolley can serve as a mobile bar, a serving table, an occasional piece, or a display stand. Its highly decorative style allows it to blend seamlessly into both classic and contemporary interiors. The brass displays a beautiful patina, with slight signs of wear consistent with its age. The glass shelves are in good condition. A piece that is simultaneously elegant, practical, and decorative. I remain at your disposal to answer
