| Description |
|-------------|

JAPAN - Edo period (1603-1868). Maru-gata tsuba made of openwork wrought iron with geometric motifs, kozuka-hitsu hana, and kogai-hitsu hana. Unsigned (mumei). Sold with its paulownia presentation box (kiribako) and its NBTHK Hozon certificate. Dimensions: 7.5 x 7.5 cm. Weight: 76 g. Notes: Signs of wear around the nakago-ana (central opening) indicate that this tsuba was previously mounted on a sword.
