Description

A lamp made of chrome- or nickel-plated metal and black-lacquered wood, featuring a stylized lotus flower as its central element. There are lamps similar to this one produced in the 1970s by Maison Charles, Jansen, or Le Dauphin, but in a gold finish with varying degrees of patina; I haven't found this shiny silver version, which also works well with Art Deco interiors or those dominated by black and white. Datation: 70'Dimensions: Total height: 59 cm Height excluding lampshade: 43 cm Lampshade diameter: 28 cm Base: 12.5 cm x 12.5 cm Weight: 2,450 g Shipping upon request
