Description

Description and Provenance This magnificent console table from 1820 is an excellent example of high-quality period cabinetmaking. Crafted from fine mahogany, the piece showcases superior craftsmanship. In addition to the wood's intrinsic beauty, the piece is enhanced by a refined Carrara marble top, which lends brightness and prestige to the entire piece. Currently, the console is in excellent overall condition, a testament to the care it has received over the centuries. As for its history, it comes directly from a prominent stately home in Lucca, a detail that further enhances its historical and collectible value.

Dimensions and Details The proportions of this piece are designed to command the room with elegance and harmony. It measures 184 x 62 x 103H cm. Thanks to its
