Description

Pair of Art Nouveau-style chandeliers in bronze and orange glass paste A remarkable pair of Art Nouveau-style chandeliers, crafted in bronze with a floral design, adorned with stunning tulips and a central bowl made of orange glass paste with amber hues. Their elegant silhouette and sinuous lines are characteristic of the early 20th-century Art Nouveau movement. Each chandelier features a hemispherical central bowl that diffuses a warm light, surrounded by six curved arms supporting delicate glass paste tulips, with wavy edges evoking blooming flowers. The ensemble creates refined lighting and an exceptional decorative presence. The finely crafted bronze frames feature a rich decoration of volutes and plant motifs, perfectly in keeping with the spirit of the École de Nancy's creations. The orange-hued glass paste,
