Art Deco Dining Table - Circa 1935 - Restored - Precious Wood Veneer

8 500 EUR

Period : 20th century

Condition : Restauré par notre atelier

Description

Exceptional and elegant Art Deco dining table
France Circa 1935
Rosewood veneer arranged in a complex diamond pattern, masterfully applied by hand and accented with black details;
re-chromed metal trim
Restored and polished to achieve a high-gloss "piano" lacquer finish
Two pedestal legs, connected by an elegant crossbar, support a remarkable tabletop. The top features elegantly curved long sides, lending the piece style and a sense of lightness. The standout feature is the meticulously crafted veneer top: a premium-quality rosewood veneer, hand-laid in a diamond pattern and framed by decorative marquetry. A magnificent piece for any interior!
Dimensions to be announced.
Chairs and decorations are not included in the price.
