Description

Brighten up your home with a timeless icon of elegance. When you purchase the "Venice Balloton 1930 Chandelier," you're choosing a masterpiece of rare beauty that embodies the artisanal excellence of the ancient Venetian glassworks. Noble in its most classic Venetian chandelier form, it commands attention with its majesty. Crafted from fine Murano blown glass, it features the exclusive crystal-colored (transparent) "balloton" honeycomb pattern. With its four tiers of lights--6+12+12+24 upward-facing arms--it guarantees perfect diffused lighting, ideal for spaces that call for prestige and warmth (Venice 1930, height 300 cm, maximum diameter 160 cm). A stylish investment for those who refuse to compromise. We ship worldwide via FedEx, UPS,
