

Large Murano Single-flower Vase, By Luciano Gaspari For Salviati

320 EUR

Signature : Gaspari

Period : 20th century

Condition : Bon état

Height : 31,5

Description

This piece dates from the highly sought-after period of the Salviati glassworks, when its artistic direction was entrusted to the famous Italian Spatialist painter Luciano Gaspari (1955-1968). Gaspari revolutionized Murano glass by treating it as a three-dimensional canvas: the asymmetrical brown and orange glass flow is rendered here in the style of lyrical abstraction and frozen within the mass.
