

Egg Cup Or Small Ivory Container. 19th Century, France.

120 EUR

Period : 19th century

Condition : Très bon état

Diameter : 4 cms

Height : 6,5 cms

Description

A lovely egg cup or small turned ivory container. Very clean design. A rim runs along the upper edge. Small foot. The object is made in two parts: the cup and the base. There is a slight chip that does not affect the object's strength or stability on its base. Object made in the 19th century. Beautiful light yellow patina. France.
