Description

André FONÈCHE (1851-1942) A Trip Out to Sea in the Netherlands Oil on canvas, signed lower right. A beautiful composition by the artist André Fonèche depicting a scene at sea off the Dutch coast. In the foreground, several fishing sailboats brave rough seas, while in the background, a pier, a windmill, and the dunes characteristic of the Netherlands come into view. The overcast sky and the light filtering through the clouds lend the entire scene a lively atmosphere and beautiful depth. A painter renowned for his late 19th-century seascapes, André Fonèche excels at rendering the movement of the water, the sails, and the effects of light. Oil on canvas, signed lower right. Canvas dimensions: 51 × 101 cm. Wooden frame with gilded stucco. Canvas previously re-stretched. In very fine condition.
