Description

Large Burmese Marble Buddha Statue Seated on Three Elephants 100 cm x 59 cm x 42 cm A remarkable piece of Burmese craftsmanship that brings spiritual depth to any space. This marble Buddha sits majestically on a throne of elephants, powerful symbols of wisdom and strength across cultures. The finely carved elephant sculptures at the base form an imposing and regal pedestal that enhances the Buddha's noble presence. Depicted in the *mudra* of touching the earth (*Bhumisparsha*), the Buddha evokes Enlightenment itself, inviting the earth to bear witness to his profound truth. Far more than a mere decorative piece, this work invites us to meditate on the universal path toward enlightenment and inner peace.
