Description

PAIR OF FRENCH GILDED BRONZE CANDELABERS - H. PICARD For sale, a superb pair of French gilded bronze candelabers, marked H. PICARD. These refined 19th-century decorative pieces are distinguished by their rich Rococo/Louis XV-style ornamentation, characteristic of the historicist revival of the Napoleon III era. The candelabras are adorned with magnificent plant motifs, acanthus leaves, volutes, sinuous branches, and finely chiseled floral elements. Their elegant and lavishly decorated design attests to the high quality of the bronze work. Each candelabra has five arms, forming a particularly imposing and harmonious pair. The richly crafted bases, along with the sculpted details and curved lines, give the set a remarkable presence. Material: gilded
