Description

A stunning liqueur or port set by Karl PALDA, crafted from Bohemian crystal, circa 1925-1930. In the purest Art Deco style, this incredible set of cut and faceted crystal features geometric, floral, and feminine motifs typical of the iconography of the 1925-1930 period. The quality is exceptional. This set, consisting of a decanter and 11 liqueur glasses, is in impeccable condition. We believe it has never been used. Decanter height: 26 cm Glass height: 8 cm The Karl Palda Glassworks was founded in Haida, Nový Bor, Bohemia (Czechoslovakia) in 1888 and produced a range of items primarily made of crystal. At the height of the Art Deco movement in the 1930s, the company began producing incredible geometric patterns on a wide range of glass pieces, from vases and containers to
