Description

Pair of decorative wall sconces, in the Art Nouveau style, made in the second half of the 20th century. Each features a flared bowl with soft lines, adorned with a lakeside and mountainous landscape design in shades of amber yellow and reddish brown. Trees, mountains, and a body of water come together to form a particularly decorative, stylized landscape, reminiscent of Art Nouveau-style stained-glass works. The bowls are held in place by a metal frame, embellished at the bottom with a small ornamental element. A lovely pair of wall sconces with a warm design, ideal for providing ambient lighting. Period: Second half of the 20th century Style: Art Nouveau Motif: Mountain and lake landscape Condition: Good overall condition, slight signs of wear. Dimensions of one wall sconce: Height: 23
