

Grand Tour, Bust Of A Man, 19th Century

780 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 18,5

Height : 38,5

Depth : 13

Description

Souvenir from the Grand Tour: bust of a man. A beautiful, large bronze sculpture with a medal-like patina, depicting a man in three-quarter profile, his head turned toward his right shoulder (slight wear). It rests on a pedestal base topped by a square counter-base (13 x 13 cm). 19th century. Good condition.
