

Bust Made Of Carrara Marble

25 000 EUR

Signature : E. Kiemlen

Period : 19th century

Condition : En l'etat

Material : Marble

Height : 182 hauteur totale

Description

A beautiful sculpture in white Carrara marble with a solid wood base. The work is by Émiel Kiemlen, a German sculptor. The two children depicted are the descendants of Johannes Ficker, who served as rector of the University of Strasbourg and professor of church history. The statue once adorned the Villa Ficker in Strasbourg, a historic building that now houses the Notre-Dame de Sion School.
