1 750 EUR

Period : 17th century

Condition : Bon état

Material : Bronze

Description

Flemish School, early 17th century
The Virgin and Child
Bronze, partially gilded, height 10.8 cm
Provenance: private collection, The Netherlands
*A beautiful small but exquisitely cast gilt bronze figure of the Virgin and Child, probably made in Flanders during the early 17th century and intended for private devotion. Very good quality and beautiful patination and colour.
Shipping in Europe: EUR 15
