Description

A lovely set featuring a large ceramic chess set from the 1960s and a beautiful Art Deco-style game table. The 32 pieces in this set feature figures inspired by Roman and Mediterranean antiquity, crafted from ceramic with a lovely golden-brown glaze. The pieces are quite large, larger than the usual average. Made in southern France or Italy around 1960; traces of a signature on some pieces. The set is in perfect condition. The Art Deco-style game table is made of rosewood veneer with a high-quality varnish finish; the tabletop is removable and lined with felt on the underside (showing some wear) for playing cards. This table can be sold separately from the pieces. Chess Set Dimensions: King height: 18 cm Pawn height: 11.5 cm Pawn dimensions: 4 x 3.5 cm Game table Height: 71.5
