

19th-century Gilded Bronze Lantern

1 200 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 28

Height : 55

Description

A lovely Louis XV-style hallway lantern in gilded bronze (some signs of wear). It has four lights and was recently electrified (it was not originally electrified; it used to hold candles). Made in Paris around 1850.
