### Description

ART DECO WALNUT BURL SIDE TABLE - CIRCA 1930  
Elegant Art Deco-style side table, made circa 1930 from walnut burl veneer. It features a superb circular top with rich grain, where the walnut burl veneer forms a particularly spectacular radiating pattern. The rim is slightly domed and molded, harmoniously accentuating the round shape of the top. The piece rests on four curved legs, joined at the base by an elegant interlaced base forming a geometric composition characteristic of the Art Deco aesthetic. A second circular top completes the piece, lending this pedestal table a character that is both decorative and functional. The quality of the woodwork, the beautiful warm tones of the walnut, and the highly graphic design of the base make this a particularly elegant piece of
