Period : 19th century

Condition : Très bon état

Width : 135 cm

Height : 193 cm.

Description

A beautiful Neoclassical mirror featuring four half-columns with Corinthian capitals, resting on a stepped plinth. The upper section features an arcade that hints at the Neo-Gothic style. The use of gilded metal leaf makes the columns sparkle when light hits them (a rarity). The mirrors feature their original mercury glass and are in perfect condition. A true favorite. France, circa 1830-1840.
