Piece Of Printed Fabric--18th-century Floral Design Featuring Heirloom Roses

290 EUR

Period : 18th century

Condition : Très bon état

Description

A very elegant piece of antique fabric dating from the 18th century, featuring a lovely floral pattern printed on a grayish-beige background. The particularly delicate design consists of bouquets of roses in various shades of pink and red, accompanied by small mauve and blue-gray flowers and foliage in soft tones. The highly decorative composition alternates between large bouquets of flowers and small floral motifs, lending the piece great charm and a sense of lightness. The delicacy of the design and the lovely harmony of the colors reflect the refined taste characteristic of antique upholstery fabrics. This beautiful piece, preserved in good overall condition considering its age, offers a particularly impressive length of 309 cm and a width of 81 cm. A textile full of charm, ideal for
