Description

Baluster vase painted with polychrome enamels. The central body depicts a festive procession of children and courtesans in a flower-filled garden. The shoulder features a band with geometric and floral motifs, while the neck is decorated with motifs of scholar's objects. Late Qing Dynasty, China (1868-1912). Product condition: The item is in good condition, with minor signs of wear. We strive to present the item's actual condition as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
