Description

Antique walking stick from the first half of the 20th century with a silver handle. It features beautiful, classic, and elegant craftsmanship, designed both as a functional aid and as a stylish accessory. The handle features a classic asymmetrical "T" curve, with one end elongated and arched downward to provide a more comfortable and secure grip. Engraved on the head of the handle and enclosed within an oval are the initials of the owner to whom it once belonged. The shaft is made of ebonized wood with a tapered shape that narrows slightly toward the base, finished at the tip with its original brass ferrule. PERIOD First half of the 20th century DIMENSIONS L. 5 cm x D. 5 cm x Knob H. 9.5 cm Total cane H. 94
