### Description

A pair of Art Deco earrings made of onyx, diamonds, and white gold. These unique earrings consist of two onyx rectangles separated by a baguette-cut diamond (approximately 0.30 to 0.35 ct, each) and feature a cultured pearl drop at the bottom. They are crafted from 12-karat white gold, as indicated by their hallmark. The hallmark also suggests an Italian origin. A chic and classic design, easy to wear both for everyday use and for a night out. The earring features a fixed post, while the lower part opens and closes to ensure a secure fit. Dimensions Length: 3.7 cm 2 diamonds, each measuring 5 mm x 3 mm Weight: 5.72 g Comes with a warranty certificate and in a new box. Free shipping within France.
