Description

A two-door Louis XIV-style cabinet made of solid wood (primarily oak). The front is richly carved with foliage and repeating motifs... Of particular note are the two doors, carved with coats of arms, quatrefoils, and arabesques...An antique frame dating from the 18th century, embellished with carvings in the 19th century. Restoration work includes addressing wear and tear, maintenance, added wood pieces, pitting, small cracks, gaps, and a recent stripping to restore the raw wood appearance of this unique cabinet...Shipping and transport--please contact me
