Description

Large bronze candlestick, formerly silver-plated, 17th-18th century A beautiful, large bronze candlestick resting on a molded triangular base that ends in three paw-shaped feet. The tall stem, elegantly turned and accented by several steps and moldings, supports a wide circular candle holder and a cylindrical cup. The bronze retains traces of its original silver plating in places, giving it a beautiful, nuanced patina and attesting to its age. In good overall condition with wear and patina consistent with its age. Period: 17th-18th century Material: bronze, traces of silver plating Height: 35 cm
