

Mahogany Travel Bidet From The Empire Period.

450 EUR

Period : 19th century

Condition : Très bon état

Material : Mahogany

Description

Very beautiful mahogany travel bidet from the Empire period. It rests on 4 unscrewable legs shod with bronze clogs. Original pewter basin. It has the particularity of also being able to serve as a self-washing basin, perhaps an apothecary's tool ? Very good original condition. Measures approximately 46 cm by 22 cm and 43 cm tall.
