

Glazed Ceramic Cup - Abstract Design

180 EUR

Signature : À définir

Period : 20th century

Condition : Bon état

Diameter : 20

Height : 6,5

Description

A beautiful, circular ceramic bowl by an artist to be identified, resting on a small foot, featuring an elegant graphic and abstract design. The piece is adorned with broad swaths of dark, bluish-gray, and black glaze, accented by brick-red lines forming a stylized pattern reminiscent of a plant or architectural form. The contrast between the glazes and the deliberately irregular application of the design give it a highly decorative character.
