Description

Galerie Georgette Art Nouveau is pleased to offer a charming Art Nouveau display cabinet in walnut, likely a former haberdashery cabinet from the Lyon region. This display cabinet has been fully restored by our cabinetmaking workshop and is therefore in perfect condition. The display cabinet features a front panel with an elegant carved floral motif. It is glazed on the front and both sides, providing excellent visibility of the items on display. This piece includes three glass shelves, as well as a marquetry drawer and three handles in the classic Art Nouveau style. With its moderate size, this display cabinet can fit seamlessly into any room in your home. Come see it in our store in Saint-Étienne-de-Baïgorry, 64430.
