

Study Of Trees, Brush-and-ink Drawing By Henry De Waroquier

400 EUR

Signature : Henry de Waroquier, Paris 1881-1970

Period : 20th century

Condition : Bon état

Material : Paper

Width : 30cm (environ, à préciser)

Height : 25cm

Description

French painter, sculptor, draftsman, and engraver, associated with the École de Paris. Henry de Waroquier began his career with imaginative paintings. At the time, he was a professor of decorative composition at the École Estienne in Paris and a professor of painting in Studio A at the Scandinavian Academy. This study, signed in the lower right corner with the monogram "HW," is reminiscent of Japonism. Contemporary frame in good condition.
