

Louis XVI-style Gilded Bronze Wall Sconce

980 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 35 cm

Height : 37 cm

Description

Spectacular 4-light wall sconce featuring a central motif of a putto holding aloft a floral garland, along with other elements typical of the Transition style: volutes on the light arms, acanthus leaves, shells, garlands, and fluting. Beautifully crafted, with rich ornamentation and high-quality engraving, it dates from the Napoleon III period; its electrical wiring is modern and requires no restoration. Please feel free to contact us for any additional details or to request photos. - On display in our 400 m² gallery in Lille, open Wednesday through Friday afternoons or by appointment
