Description

Bring the enveloping warmth of the bountiful season into your home. In this magnificent oil painting on wood, Maestro Giovagnoli celebrates autumn through a composition of extraordinary artistic quality. Two powerful hands, brimming with vigor, carefully cradle an elegant, long-stemmed goblet overflowing with a bountiful harvest: "Settembrina" grapes, crunchy walnuts, glistening red apples, and fragrant quinces--fruits that evoke the traditions and authentic flavors of the Romagna hinterland. A masterful work, created in the early 1950s (H 80, W 60), that transforms matter into pure emotion.
