Description

A sublime pair of large decorative Limoges porcelain plates, of exceptional size (46.5 cm!!!). True works of art on porcelain. The designs are entirely hand-painted and depict two charming river landscapes. They were executed on a shaped piece from the Tressemanes & Vogt manufactory. The manufactory's stamp is present on the reverse, dating from the period 1892-1907. They also bear the signature of the porcelain painter and decorator Desgrotes in the lower right corner of each design. Our two plates are sold with a wall mount (see last photo). Dimensions: Diameter 46.5 cm Please contact us for shipping costs;
