269 EUR

Signature : Jean Gerbino

Period : 20th century

Condition : Bon état

Material : Ceramic

Diameter : 22

Height : 15

Description

Ceramic planter by Jean Gerbino in Vallauris, created using the studio's signature technique of blended and mosaic-style clays. The body features a continuous design of stylized flowers and foliage in a palette of blue, green, turquoise, ochre, brown, black, and white. The wide, flared neck and the interior are also entirely composed of polychrome clays assembled in a mosaic pattern. The piece bears the Gerbino signature on the base, as well as the Vallauris mark. Dimensions: Diameter/width: 22 cm Height: 15 cm Condition as shown in the photographs. The only things to note are normal signs of age and wear.
