

Malachite Box In The Fabergé Style

700 EUR

Period : 20th century

Condition : Bon état

Material : Semi precious stone

Length : 15

Width : 10

Height : 5

Description

Malachite box in the style of Karl Fabergé. Rectangular, straight-sided. On the flat lid, there is a gilded brass relief depicting a neoclassical-inspired scene with two female figures arranged around a large urn. The design, inspired by Greco-Roman antiquity, likely evokes the myth of the Danaids. A beautiful decorative piece, certainly from Russia, ideal for a classical, neoclassical, or eclectic interior.
