### Description

Modern Cubist sculpture in homage to Henri Laurens, white model. This modern Cubist sculpture is a meticulous reissue paying homage to the sculptural work of Henri Laurens and the masters of the avant-garde. The piece consists of geometric shapes and fragmented planes that come together in an abstract and dynamic composition. This modern Cubist sculpture is presented here in a pristine white finish that highlights the purity of its lines and the complexity of its forms. The aesthetic of this piece is reminiscent of the works of Picasso or Lipchitz due to its rigorous architectural structure. Please contact us before ordering to confirm product availability. Dimensions: H 70x22x23 cm
