

19th-century Wood-veneer Chest With Drawers

140 EUR

Period : 19th century

Condition : Très bon état

Material : Wood marquetry

Length : 11 cm

Depth : 7 cm

Description

On the back of this box is a slot for inserting coins. This box with beveled corners is made of fine wood veneers such as lemonwood and burl walnut; the top is also edged with a copper trim. It comes with its original key, but the lock is a bit stiff, so it probably needs some greasing
