Description

Oil on canvas "Still Life" by Lea Steppe
The work depicts a refined and evocative still life, featuring reeds in a terracotta vase, paired with a miniature Oriental-style figurine resting on a small wooden pedestal
The work is signed in the lower right corner with her characteristic signature
The work is framed in a silver-colored wooden frame with champagne-colored wooden frame that beautifully highlights the vertical composition as well as the green and earthy tones of the painting
Lea Steppe (1906-2003) was recognized as a highly talented figurative artist who excelled at intimate and domestic themes.
Canvas: 58 cm wide and 98 cm high
Frame: 81 cm wide and 122 cm high
Mid-century Belgian art
