Description

The defining feature of this type of Art Nouveau frame is its thick, gilded metal wire structure, featuring stylized scrollwork punctuated by flowers--these are made of silver-plated metal. On this model, there is a fleur-de-lis at the top and a sunflower at the bottom left. Its original protective glass is beveled and secured by a spring mechanism. Dimensions of the photo: 16.5 x 11 cm Shipping available within France and internationally; please contact me for details
