### Description

Omega Marine Chronometer Megaquartz 4.19 MHz. SHOM Caliber 1525 in perfect working order. Mahogany and brass case in excellent condition. Very well-preserved set (put into service in 1982), with no scratches or signs of moisture (This piece was likely in service aboard a submarine in the attack or nuclear fleet). Comes with a booklet from the Navy's Hydrographic and Oceanographic Service (SHOM, Ministry of Defense). No. 142. Historical Background: The result of a request from the Ministry of Defense in 1978, which sought ultimate precision for the navigation of its combat vessels in the event that the satellite navigation system would no longer be operational. A competition was launched. Omega won it thanks to Technical Director Henri Schneider and his team. The accuracy of this
