1 100 EUR

Period : 18th century

Condition : Très bon état

### Description

Let yourself be captivated by the exceptional quality of a magnificent pair of 18th-century palm-leaf holders (height 25 cm), true masterpieces of Italian craftsmanship. Crafted from fine embossed and "coated" copper sheet, they rest on an elegant, silver-plated, shaped wooden base. Their elegant amphora shape with side handles embodies the historic charm of the 18th century. Electrified in the early 20th century, they are embellished with parchment-paper shades (20x24 cm) that cast a warm and evocative light. Secure shipping: FedEx, UPS, DHL with professional packaging and insurance (Europe: to be arranged). Payment methods: Bank transfer, Visa, Mastercard. Buy this one-of-a-kind piece now to give your home an atmosphere of timeless prestige and classic elegance.
