

"flower Bouquet" Brooch In Russian Gold (560/56) And Demantoid

2 600 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Length : 5,9cm

Width : 2,5cm

Description

The brooch is made of rose gold and bears the hallmark "56." It is set with demantoids; the pink stones appear to be made of glass. Two of the demantoids are matte and seem to have been glued in place. Otherwise, the brooch is in good condition. It weighs 10.6 g.
