Description

Pair of Yves Saint Laurent & Goosens gold-plated clip-on earrings with gripoix. A true icon of French luxury, this pair of clip-on earrings stands as a testament to a revolution in the world of French luxury jewelry. Yves Saint Laurent, the French haute couture house, sought to revolutionize jewelry. The rise of costume jewelry as "Haute Fantaisie" in the 1980s forced designers to be more inventive with new materials. Here, this pair features a square gold-plated base set with fuchsia-pink rhinestones and a carmine-red gripoix cabochon at its center. The YSL logo is engraved on the back. Robert Goosens was a renowned master jeweler, known for his costume jewelry and his use of gripoix in his designs, creating true vintage gems that are highly sought after today. Fast and careful
