Large Pair Of Garden Basins

540 EUR

Period : 20th century

Condition : Etat d'usage

Material : Stone

Diameter : 52cm

Height : 62cm

Description

A very impressive pair of garden planters made of reconstituted stone and decorated with mascarons. These mascarons serve as the planter's handles and are accompanied by stylized ornamentation and scrollwork, mounted on a pedestal-style base.The basin and base are in two separate pieces, allowing for easier handling given the weight of the set.Dated to the mid-20th century.Natural patina resulting from exposure to the elements, as well as traces of lichen, moss, etc., giving it an even more antique appearance.
