### Description

This 18-karat yellow gold marquise ring: elegance and French craftsmanshipPre-owned jewelry.This marquise ring in 18-karat yellow gold (750/1000) showcases a faceted oval amethyst. What the photo doesn't always capture are its lilac and plum hues, which are more pronounced depending on the angle of the light.Its four-prong setting really lets the stone shine: when worn, the amethyst catches the light with grace and maintains a clear display of its color.Specifications for this 18-karat gold and amethyst pieceMetal: 18-karat yellow gold (750/1000), a durable alloy that retains its luster over the yearsGemstone: faceted oval amethyst, with crystal-clear transparencyStone dimensions: 0.8 cm wide x 1.6 cm highSetting: 4 prongsHallmark: eagle's head, French guarantee

of 18-karat goldTotal weight: 2.58 gSize: 59,  
inner diameter 18.80 mmCondition: excellent;  
pre-owned piece, authenticated and carefully  
restoredCircular jewelry. This piece is  
authenticated. You are choosing a piece of  
jewelry that has already stood the test of time,  
ready to last for many more years to come.Why  
this yellow gold marquise ring is so appealingIts  
elongated shape visually slims the finger: this is  
one of the most sought-after features in a  
marquise ring, likely from the 1970s or 1980s. In  
vintage jewelry, this detail makes all the  
difference.The prong setting allows light to flow  
beneath the stone. What truly sets this piece apart  
is the balance between its striking visual presence  
and the lightness of wear.I'd gladly recommend it  
to those seeking an expressive ring without  
excessive ornamentation. The amethyst adds a  
distinct color, while the yellow gold lends it a  
softer warmth rather than an overly showy  
brilliance.Its excellent condition has been  
verified, and its authenticity confirmed.Size 59,  
with an inner diameter of 18.80 mm, offers a  
comfortable fit. Ideal if you're looking for a ring  
that you can feel without it feeling  
heavy.Shipping to France, Belgium, Switzerland,  
and the United States--registered and insured  
shipping included.
